RETURNS FORM - EXCHANGES & REFUNDS

In the unlikely event that the goods supplied are not what you expected, you must return them to us in an un-used and un-soiled condition, complete with their original packaging, within 14 days of receipt, to the address below.

Please be aware that items can only be returned for an exchange / refund if they are **unused**, and in their **original manufacturers packaging** and have all of the barcode tags intact, so please don't remove them if you're thinking of sending them back! Clothing, shoes and accessories must have labels or tags attached (please **do not** put tape or labels on the manufacturers box or packaging). If either the goods or the packaging are not in a re-saleable state, then we may decline your exchange / refund request.

Refunds will be credited by your original method of payment and an email will be sent to confirm when this has been done, normally within 7 days.

Please help us to deal with your return quickly by providing us with the following information.
